A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Village of Old Harbor	=	Village
Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Denali Commission	=	Commission

On Feb. 6, 2004, ANTHC and the Village of Old Harbor executed a CPA authorized by the Denali Commission to perform the design and the construction planning for a new multi-use facility in the Village of Old Harbor, Alaska. The facility includes space for a health clinic, office, and assembly area. No construction was performed under this project phase.

Project funding totaled \$341,015 and was provided by the following agencies:

- \$216,015 of Commission funds, via Denali Commission Financial Assistance Award No. 0100-DC-2003-I13, Addendum B, dated January 2004
- \$125,000 of Village funds, via the Kodiak Area Native Association

B. REVISION OF PROJECT FUNDING

This project is the design phase of a design and construction award made by the Denali Commission. The construction phase is ANTHC Project No. AN 04-GB9.

This Amendment adjusts the project budget by redistributing \$48,026 of professional operations charges to AN 04-GB9. The adjustment is necessary because the funds were not used in the design phase and are needed to complete the construction phase.

A revised cost estimate table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Sources	
						Denali FY03	Old Harbor
M-DS	Design new multi-use facility	1	LS	288,000	288,000	163,000	125,000
Village of Old Harbor Award					\$288,000	\$163,000	\$125,000
M-PP	Professional Operations Charges				4,989	4,989	
Total Award					\$292,989	\$167,989	\$125,000

This document constitutes Amendment No. 1 to the CPA to perform the design and the construction planning for a new multi-use facility in the Village of Old Harbor, Alaska. All other sections of the original CPA remain in effect as agreed upon and executed.

MEMORANDUM

DATE: August 27, 2007

FROM: Riki Lebman, Environmental Coordinator *RL*

SUBJECT: CPA Amendments: No. 1 to Project No. 04-G87 and
No. 3 to Project No. 04-GB9 – Old Harbor Health Clinic

An environmental review for the construction of the Old Harbor Health Facility was completed under ANTHC Project No. AN 04-GB9 in August 2004. This Amendment will not change the scope outlined in the original document.

The ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed if the scope of work changes. A copy of the environmental review is available upon request.
